TEAM **dna**mix assessment features & benefits for Managers and Organisations:

✅ Starts genuine conversations

✅ Creates the start point for an open and honest discussion

✅ Ideal for behavioural and cultural change

✅ ...or when there is *any* change within the team

✅ Can help with employee retention - employees feel heard and valued

✅ Can help with team effectiveness, performance, motivation and results!

✅ Quick and easy to enrol your team and deploy

✅ Fully mobile - available on desktop, Google Play and the App Store

✅ Results are available as soon as the last person has completed the assessment

✅ Automatic 1 week email for team members who've forgotten or just haven't had chance to complete it

✅ Straightforward reports that are easy to understand that give meaningful actions

✅ Comprehensive 36 page Managers Report, that gives meaningful results, observations and actions

✅ Ability to re-run as many times as you want within 12 months

✅ Flexible to changes within the team - add team members as your team changes

✅ Create better engaged, high-performing teams

✅ 8 week reminder 'nudge' for Managers who sign up for a nudge - to review their actions following TEAM dnamix

✅ Optional Manager Reviews

✅ Programmes and workshops to reveal the potential within your team

✅ No set-up costs

✅ Friendly, on-hand, UK support

✅ At just £45 per user per year
It's less than a latte a week*
And definitely cheaper than leaving drinks!**

*based on the average cost of a latte
**based on a £25.50 bottle of Prosecco from All-Bar-One in Leeds
